"We just had an amazing meal at Shezan. The service was friendly and we never felt rushed, the atmosphere was lovely and calm... just right for a leisurely meal. On the whole, a lovely and memorable experience!"

"I have eaten here a number of times and enjoyed the atmosphere, the service, the great musicians and yes, the food was thoroughly traditional Indian and I had a lovely night. A really elegant restaurant."

"I personally think the food is the top of the line not only in London but all over the UK, an experience not to be missed"
